'70 ELK

Burleson High School

Burleson, Texas

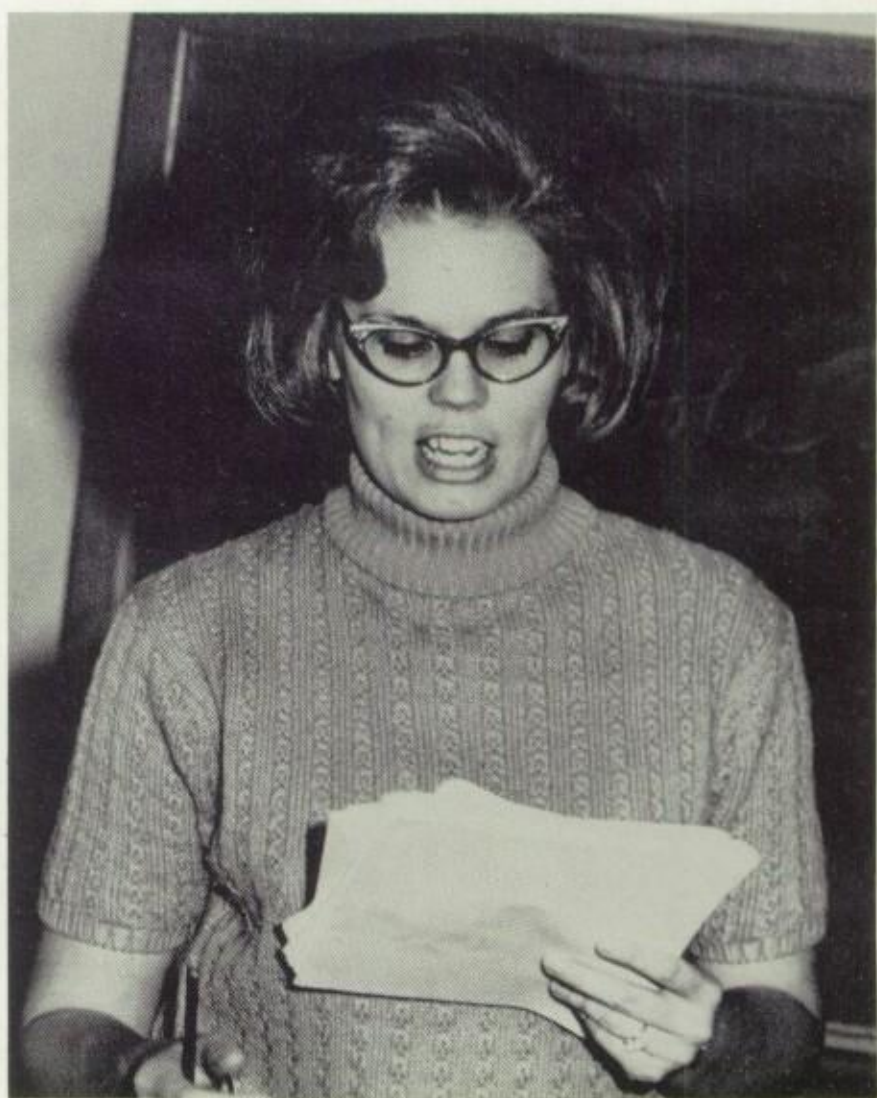

Dedication

The Senior Class proudly dedicates their 1970 ELK Annual to Miss Judy Parker. As our English teacher she has helped us through our final year of high school, as well as prepared us for college life. She is respected by all as a teacher and sponsor, but most of all as a friend.

To Miss Parker the Senior Class of 1970 says, "Thank you."

Miss Judy Parker

Susan McCarger

Much time has been spent by all in trying to prepare an annual that can bring fond memories in years to come of the activities of Burleson High. Many events have taken place that have brought a great deal of recognition to our school. Perhaps, the most outstanding of these was the honor of reigning as 3A-5 District football champions. Events such as this one have been given special consideration in the planning of this book. We hope that you can look at this annual and let it reflect in you the school pride and spirit as you once knew it.

Editor - Phyllis Allen

Assistant Editor - Stan Sauls

This year's EL ANTA has been published bi-monthly and printed by the BURLESON STAR. The paper strives to keep Burleson students and friends informed on school life and activities.

Sponsor - Mrs. DuBroc

Shelley Hunt and Sarah Marsh are in charge of exchanges and always bring interesting articles of information for the paper. Loretta Lane, fashion editor, kept the students up on the latest fads. Karen Cates, club editor for the staff, was always available to hear and report on the latest gossip and new functions of the school.

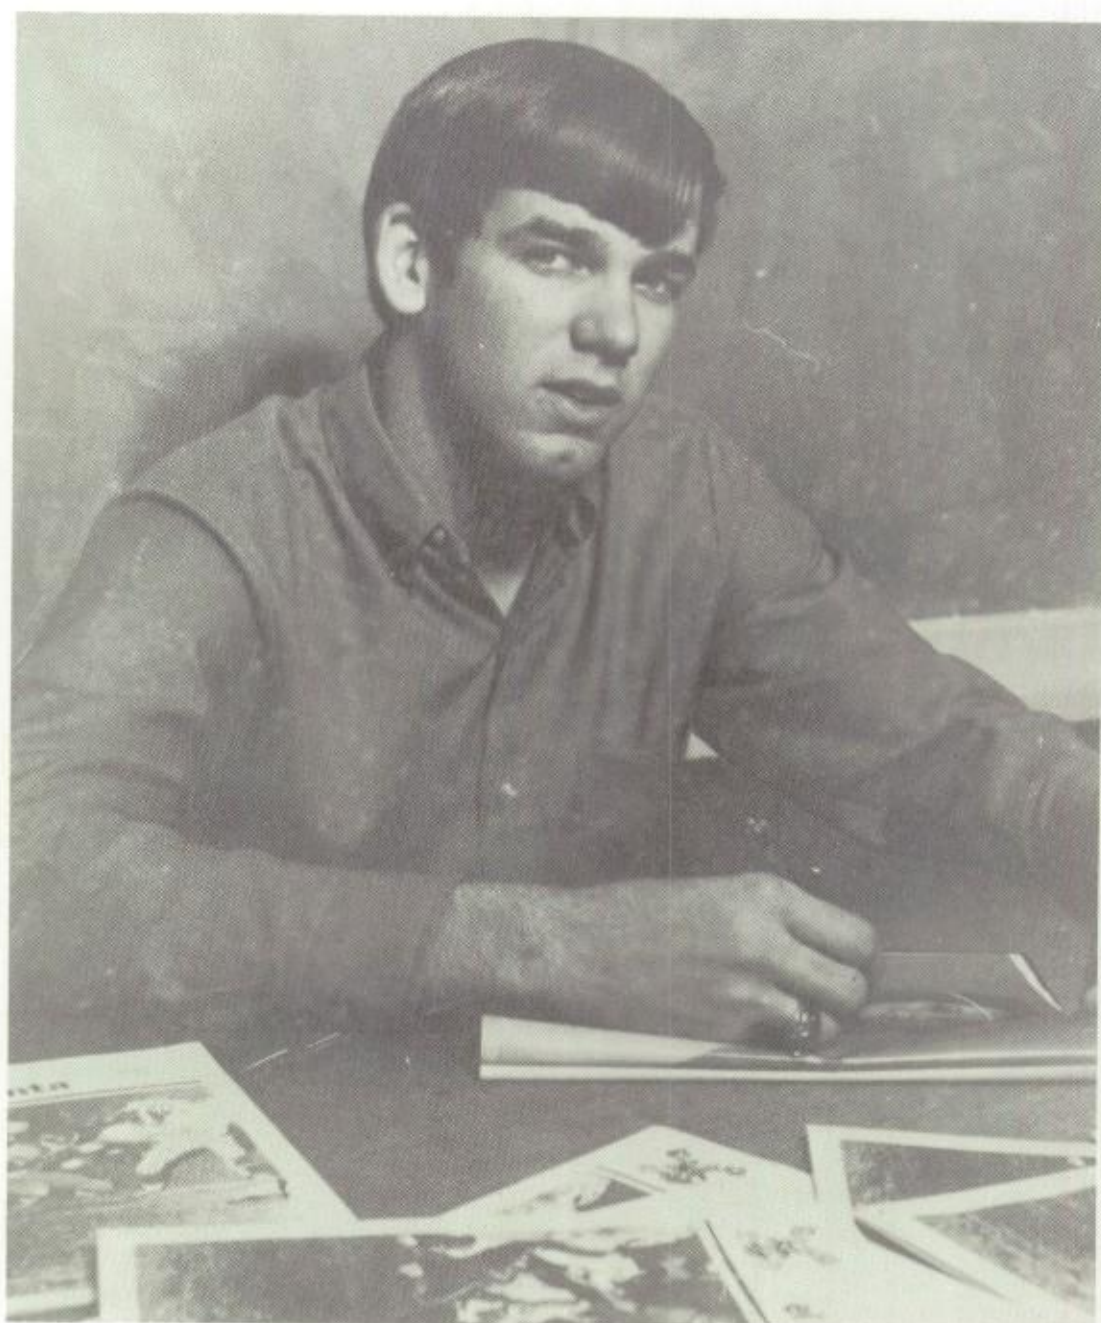

Shelley Hunt and Sarah Marsh - Exchanges.

Karen Cates - Organizations.

Loretta Lane - Fashion Editor.

These people are special to the staff in that Jerri Quisenberry does most of the paper's typing and David Youngblood does a good job in getting the needed pictures taken. Steve Allen, sports editor, did a sporting job in keeping the students informed on the sports events of the year. Steve and John Volkman also had a program on KCLE in Cleburne, to report the news from Burleson.

Reporters

What is a paper without reporters? Nothing, and this year's reporters did a good job in collecting news for the "Snoopy" column and reporting on the different club and organization news. The paper is published for them by the BURLESON STAR and the paper has been a good one on keeping us informed.

The Student Council is one of the most active organizations in BHS. It consists of representatives from each class, who are elected on the basis of their ability to organize and solve problems.

The Student Council has brought about many changes in our student body. One of these changes is the Homecoming Banquet.

Is all this really necessary?

Excedrin Headache

Trading travel brochures for text books, beach towels for class room desks, shorts for dresses and jeans, and sun tan lotion for pen and pencil, 39 teachers and 820 students began the 1969-70 school year at Burleson.

Some felt regret at leaving lazy summer days behind, but all were eager to renew old friendships and start a new year.

Seniors, proud of their seniority, Juniors, the anticipation of being Seniors, Sophomores, no longer the youngest, and Freshmen faces reflected bewilderment and confusion as they attempted to adapt to their new environment.

Smile a little smile for me . . .

Could it be my breath?

FHA

Initiation

The homecoming activities started off with a roar. The first place of action was the cafeteria for a dinner catered by Vance Godbeys.

After the good food, the Elk fans went down to the field house for a night time pep rally.

and Night Pep Rally

Honor Society

Tea

Each year the Honor Society gives a tea honoring the exes, faculty and Honor Society. Along with recollecting old times and awaiting the pep rally, the exes enjoyed the good food and pleasant atmosphere.

H o m e c o m i n g

P e p R a l l y

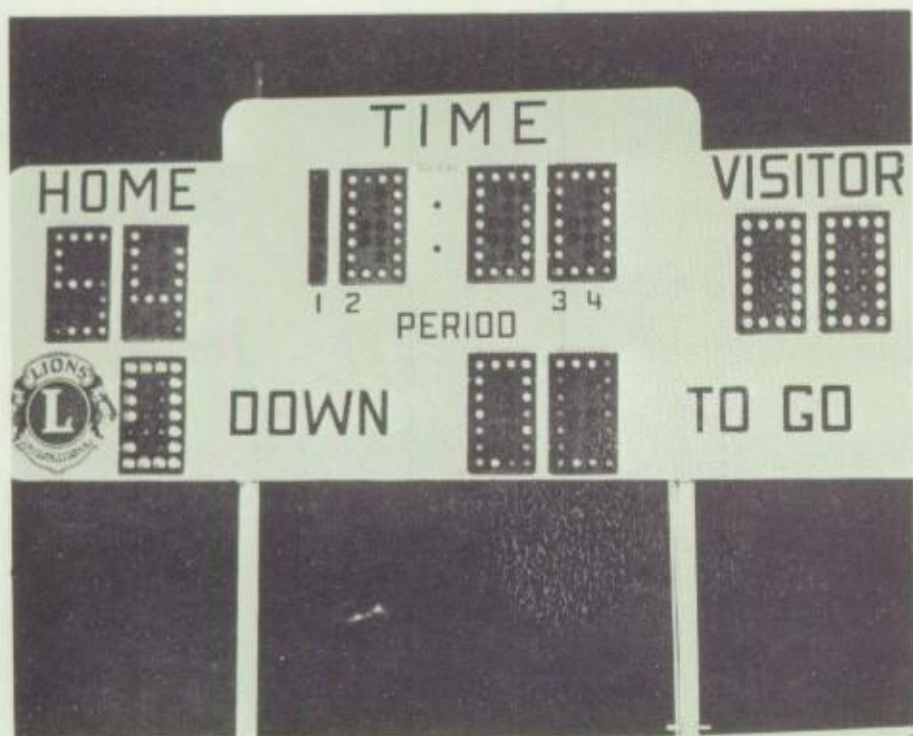

For the exes, the pep rally meant coming back to memories of good ole B.H.S. To the Seniors, it was special in the fact that they won the Spirit Stick. The colorful rainfall of balloons added to the excitement of pre-game anxiety.

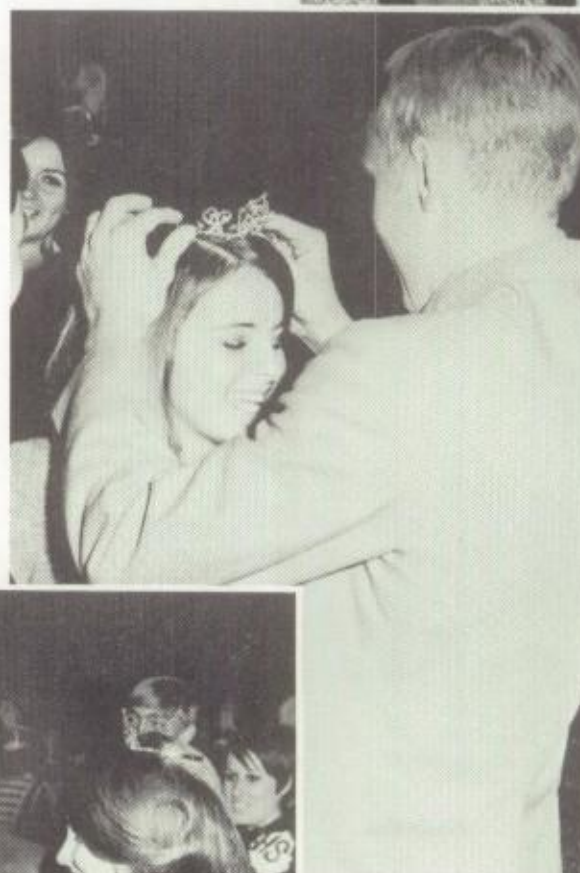

Homecoming Game

With excitement at a peak, the mighty Burleson Elks went charging after the Everman Bulldogs, hopes set high for another win. The Big Red showed their strength, experience, and power by not letting the Bulldogs come close to the Elk's end zone. After the thrill of half-time and its activities, the Elks wrapped up the game with a 54-0 victory and their 6th win.

Crowning of Queen Kathy Gardner

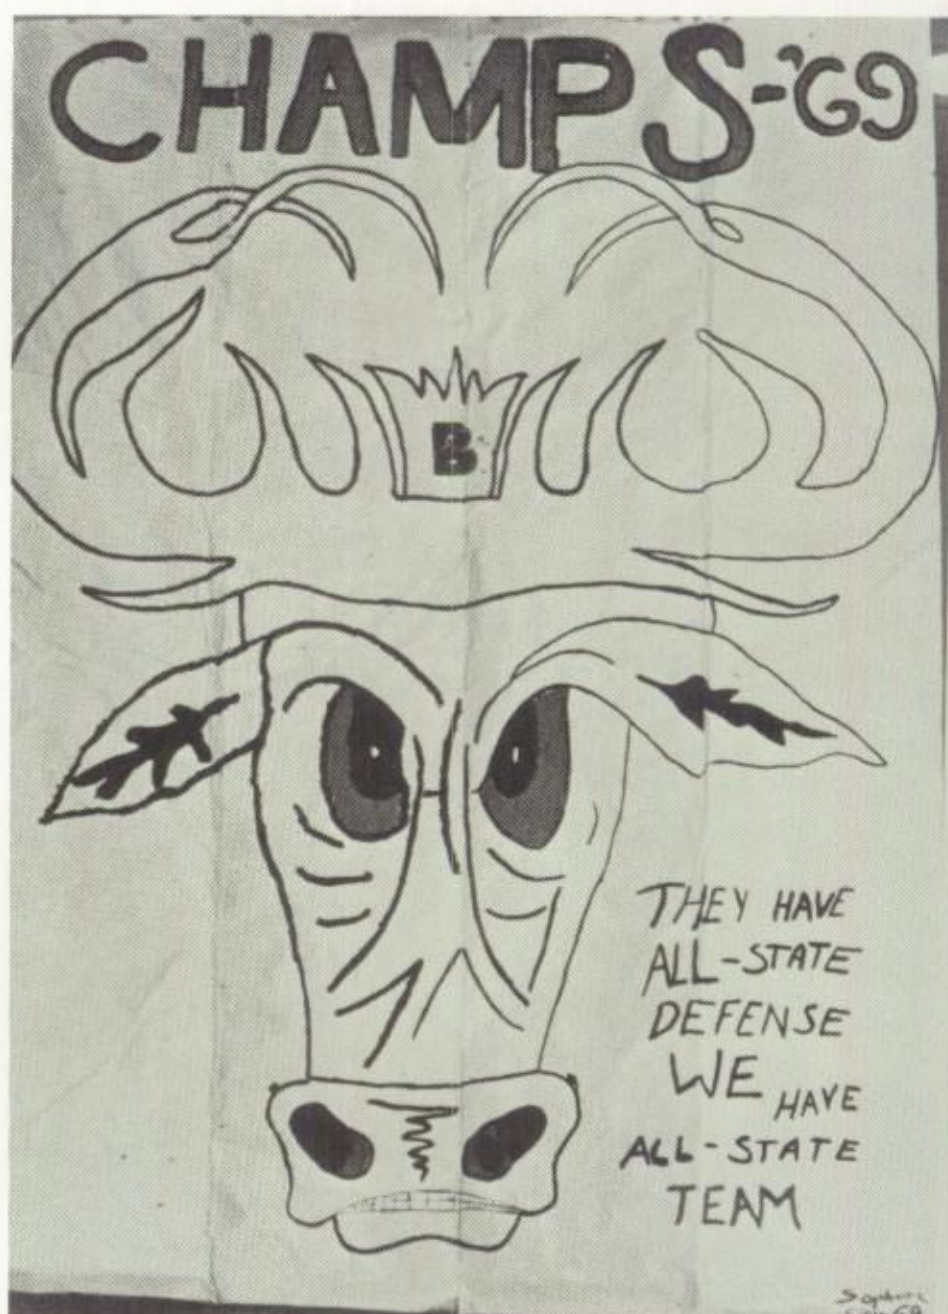

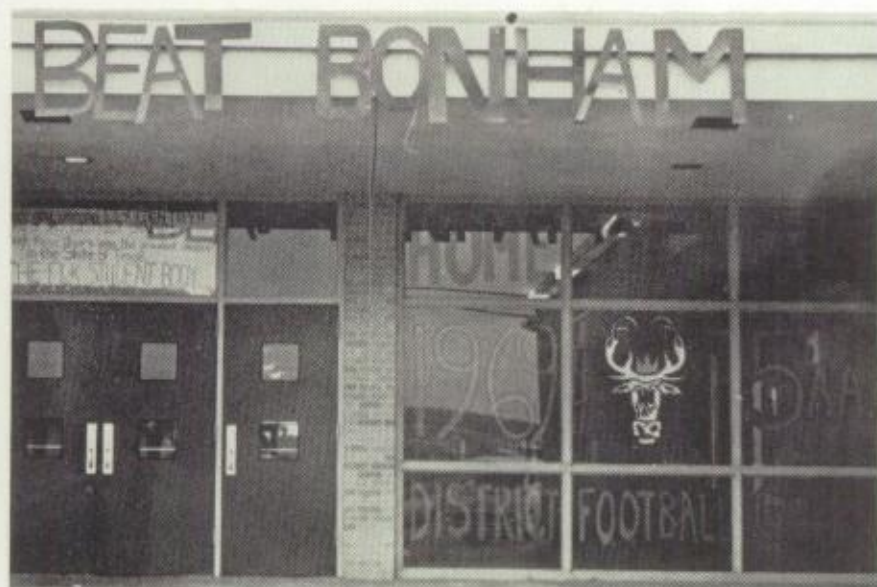

Homecoming Dance

After the excitement of the victory over Everman, the Burleson Elks celebrated at an after-game dance.

A black and white photograph showing a group of young men, likely students, seated in rows. They are all looking towards the left side of the frame. The man in the foreground on the right is wearing a light-colored shirt with dark stripes on the sleeves, and the word 'BURES' is visible on his shirt. The background is slightly blurred, showing other students and a person wearing glasses.

Gathering of Food

A total of 8,528 pounds was gathered this year. All classes worked hard and made the needy cause very worthwhile. Juniors won the title of most Civic-minded class by contributing 3,216 pounds.

Christmas at BHS

Christmas was made a little bit more merry at BHS this year with the help of the band, chorus, speech dept., and our special visitors, Santa Claus and his little elf.

Elks.. Great

The Juniors proved to be a great asset to the Elk team. These boys became experienced, hardworking players which will help them as they begin practice for another tough season in District 3A-5. We wish them luck as they take on the same rough competitors and hope they prove themselves as victorious Elks.

Elks Proud of District Title

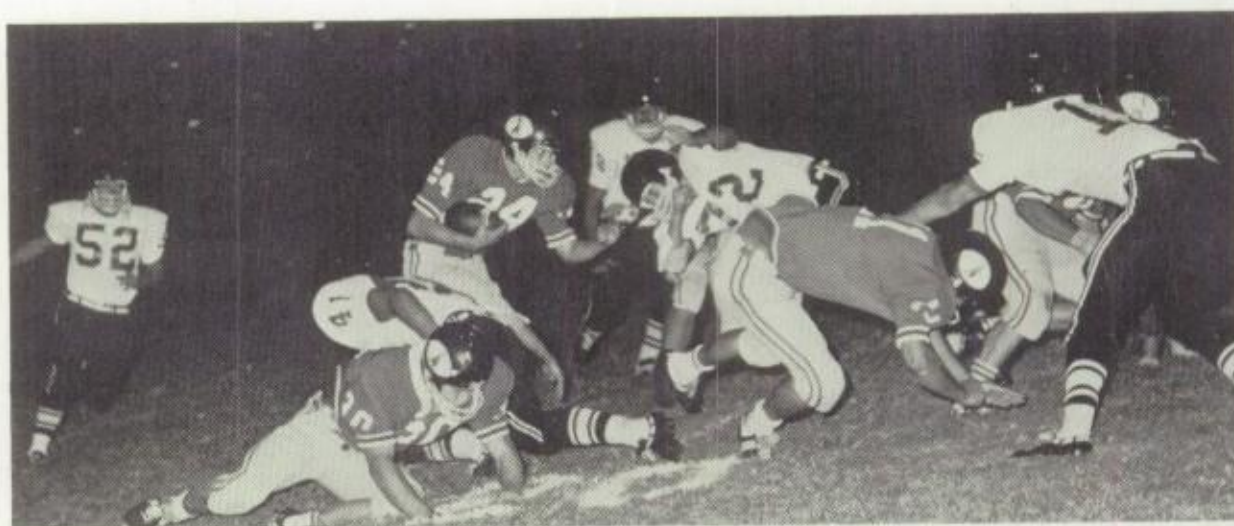

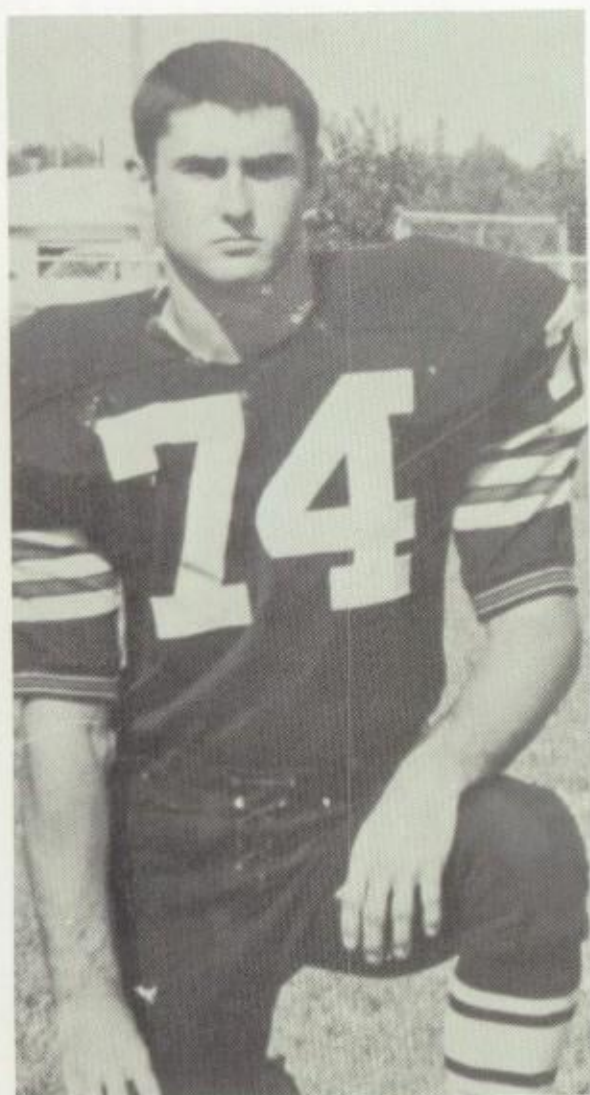

On Friday, September 12, the state-ranked Ennis Lions invaded Elk Country looking for a victory; however, they were very much surprised and lost 7-0. This victory boosted Burleson's spirit and the Elks set out to win again! This time their opponents were the Rams from Mineral Wells. They were easily overcome by the determined Burleson team 20-6. The Elks were laid off a week in order to prepare for a big game with the Weatherford Kangaroos. It looks like this rest did Burleson some good, enough to romp the Roos 22-10. The next week the Burleson Elks with a 3-0 record began the 2nd year in District 3A-5 play. The first competitor was Diamond Hill-Jarvis. The Elk's fine hustling and trained athletes led them to a 48-0 victory over the Eagles. On October 14, Saturday, the fierce and mighty Elks met the Como Lions at Handley Field. Both teams played a rough game but the Elks put more points on the board and settled for a 44-14 win. Homecoming was next on the agenda for the unbeaten team. The opposition was a cinch to discourage. The Everman Bulldogs struggled all night to score but could not overpower the Elks and fell to a 54-0 decision.

Hank Hoaldrige, Junior End

Rick Grochoske, Junior End

Johnny Pack, Junior Guard

Again, the Burleson team traveled to Handley Field to obtain another victory; however, the Carter-Riverside Eagles had bad news for the winning Elks. Our team fought with all its might but just couldn't get the extra two points needed for a victory and gave the Eagles the 12-13 win. The Burleson Elks didn't give up though; and showed their toughness by stinging the Azle Hornets in our own stadium the next week by a score of 50-21. The Elks traveled to Lake Worth ready to hop all over the Bullfrogs. They easily won in a 40-12 game. Now with the last district game scheduled against Brewer could the BHS Elks still become District Champs? If the Elks won and the Como Lions beat the Carter Eagles, the Elks were favored to reign as District Champs. The game against Brewer Bears was another triumph for our team. The most exciting part of the game was with 3 seconds left in the 4th quarter when they announced that the Lions had defeated the Eagles 6-0, and the Burleson team was now

the holder of the District 3A-5 Title. The Elks truly deserved this honor and we thank their Coach, Mr. Jerry Richburg.

Junior Varsity on the Move

The season standings for the Elk Junior Varsity was 1-8. There was no game with Lake Worth because of shortage of players for them. Most of their games lost were very close and were not decided until the final minutes of the game. Although their victories were few, the junior Elks continued to work hard and never quit trying. We look forward to seeing some of these boys on the Varsity group next year. Coach Jerry Wilson was a very good leader and showed the Elks what a good man he is. Good Luck to next year's crew of J.V.

It has been a real
pleasure to have you
in English this year.
You have many admirable

and don't ever change that
clever and witty personality!
You have a lot going for you!
